

Dear Guest,

We're pleased to have you onboard Coral Princess for this exciting cruise, we look forward to exploring some amazing ports with you this voyage. As you prepare to venture ashore, we wanted to share with you some information that we hope you find helpful.

Please keep in mind that details for each port of call are subject to change. Transportation can be highly traffic dependent, so if you explore the ports independently, please plan your day accordingly in order to meet the ship's all aboard time.

Check the front of the daily Princess Patter delivered to your stateroom for the latest updates.

Puerto Vallarta, Mexico – 22th December 2024 – Docked at Puerto Vallarta Cruise Port, Berth 1
December average temperature: high 28.0°C (82.4°F), low 18.0°C (64.4°F)

- Puerto Vallarta Cruise Port is situated right on the edge of the city itself, there are a variety of amenities and attractions within walking distance. Downtown is 5 kilometers / 3 miles.
- A year-round craft market within the cruise port, which can be found directly beside the terminal at Dock 1.
- Taxis are easily accessible, and buses are available for independent arrangements.
- Nearest beach "Playa de Los Muertos" is approximately 3.4 kilometers / 2.1 miles
- Local currency is Mexican Pesos, however United States Dollars (USD) and Canadian Dollars (CAD) are readily accepted. Visa and Mastercard are the most widely accepted credit cards in Puerto Vallarta.

Huatulco, Mexico– 24th December 2024 – Docked at Santa Cruz Huatulco, Berth 1 West
December average temperature: high 34.0°C (93.2°F), low 16.0°C (60.8°F)

- Taxis available on the street, some without air conditioning.
- Main shopping areas are in walking distance from the pier, approximately 50 meters / 0.3 miles to shops, 300 meters / 0.2 miles to Santa Cruz Market, and La Crucesita Main Plaza is about 2 kilometers / 1.2 miles away.
- Local currency is Mexican Pesos (MXN), however United States Dollars (USD) are generally accepted. Some stores may not be able to take card payment method.

Puerto Chiapas, Mexico – 25th December 2024 – Docked at Puerto Chiapas Cruise Terminal
December average temperature: high 30.0°C (87.8°F), low 20.0°C (68.0°F)

- There are a few shops inside the main building, but unfortunately no restaurants or food outlets. There is no town or city nearby or within 5 kilometers distance.
- An independently operated hourly roundtrip shuttle service is available for \$15 USD providing transportation from Puerto Chiapas to downtown Tapachula (approximately 34 kilometers / 21 miles) for further independent arrangements. The Mutap Museum, Churches, Walmart and just a few shops are open on Christmas day. Limited local taxis are available outside the terminal after 10:30am.
- Local currency is Mexican Pesos (MXN), however United States Dollars are generally accepted. Some stores may not be able to take card payment method.

Puntarenas, Costa Rica – 27th December 2024 – Docked at Puntarenas Tourist Pier 1

December average temperature: high 33.3°C (86.0°F), low 25.5°C (78.0°F)

- Shopping and souvenirs are located outside the terminal, and further along the curbside walk on the beachside promenade “Paseo se los Turistas” with beachside restaurants, cafes, shops and restroom facilities. The shopping area is approximately 15 minutes’ walk after the pier exit.
- Local Taxis and buses are available outside the terminal for independent arrangements.
- Local currency is the Costa Rican Colon (CRC), however United States Dollars (USD) are widely accepted. Not all stores are able to take card payment methods.

Puerto Amador (Fuerte Amador), Panama – 29th December 2024 – Docked at Fuerte Amador Cruise Terminal, Pier 1
