Environmental Safety

For the effective operation of the ship's sewage treatment plant, we kindly request guests to refrain from disposing any unused shampoos or other types of liquids down the drain. Any containers with liquids should be disposed with the regular garbage collected by your stateroom steward. Thank you for your cooperation.

Toilet System/Vacuum System

Coral Princess, as all modern cruise ships, is equipped with an EVAC toilet system that uses the vacuum pump principle. The system is very reliable, but the pipe work is much smaller than those ashore and is sensitive to foreign objects and large amounts of toilet paper. In order to avoid blockages and subsequent inconvenience to guests, please place any foreign objects in the waste bins and sanitary bags provided.

Deck & Sun Loungers

As a courtesy to your fellow guests please be advised that sun loungers must not be reserved and that towels and personal items will be removed by a Princess staff member if the lounge has not been occupied.

Need to Know!

Dress to Impress Night

Get fancy - tonight's dress to impress night! We can't wait to see you all dressed up in our dining venues and around the ship.

Princess New Cruiser Tips

OceanFront on Deck 6 is your Princess MedallionClass™ experience all in one place. Learn tips and tricks to maximize your hassle-free, personalized vacation from our helpful Ocean Navigators as they assist you with exploring the Princess Application, MedallionNet and interactive Portal Screens found around the ship.

Public Health Reminder

To help maintain a healthy environment, please wash your hands frequently and thoroughly with soap for at least 20 seconds, and rinse them well. We strongly recommend that you follow this procedure each time you use the restroom, after coughing or sneezing and before eating, drinking or smoking. Avoid touching your mouth. We also encourage you to use your private toilet facilities and not the public toilet unless absolutely necessary.
