Public Health Reminder

To help maintain a healthy environment, please wash your hands frequently and thoroughly with soap for at least 20 seconds, and rinse them well. We strongly recommend that you follow this procedure each time you use the restroom, after coughing or sneezing and before eating, drinking or smoking. Avoid touching your mouth. We also encourage you to use your private toilet facilities and not the public toilet unless absolutely necessary.

For assistance shoreside, contact the port agent:

Need to Know!

Arrival: 07:00am

All Aboard: 05:30pm

We know you're eager and excited to start exploring in port – we are too! However, please wait until we announce that the gangways are open before heading that way. We promise to disembark you as soon as we can!

Fuerte Amador

Fuerte Amador, situated at the Pacific entrance to the Panama Canal, is a man-made peninsula extending out into the Pacific Ocean. The one-mile causeway was created by connecting four small islands with rocks excavated from the Panama Canal. There are several shops, restaurants, and other specialty stores centered around a large marina that serves as a tender dock. The causeway also affords a panoramic view of Panama City's impressive skyline and serves as the home for the Smithsonian Institute of Tropical Research.

Important Notification

When traveling ashore, please bring your Ocean Medallion™ and a Government-Issued Photo ID with you. Please take extra precaution with your personal belongings when going ashore.

Agricultural Notice

Local authority rules stipulate that no food, no flowers, no seeds or beverage products except water are to be taken off the ship in port to avoid a fine. Please consume these items onboard before proceeding ashore.

Security Screening

All guests returning to the ship are required to undergo security screening. Objects containing metal, including mobile phones, cameras, binoculars, reading glass cases, large belt buckles, batteries, electrical devices, etc., will set off the walk-through metal detector and delay boarding. These items must be deposited in the provided trays prior to passing through the metal detector. Guests with surgical metal implants, significant quantities of metal jewelry, metal shoe stays, etc., may be subject to additional screening, such as a hand-held metal detector or "Pat Search."

Gangway Alcohol Collection

Alcoholic beverages that are purchased at ports of call or duty-free from The Shops of Princess will be collected for safekeeping and delivered to the guest's stateroom on the last day of the cruise. A member of the ship's staff will be at the gangway to assist guests with the storage of their shoreside alcoholic purchases while our retail staff will assist guests with shipboard alcoholic purchases.

**Princess is not responsible for any alcoholic beverages confiscated by shoreside security staff. Such items are not eligible for monetary refund or replacement.*

Environmental Hotline

Princess Cruises has established a hotline telephone number and website to permit reporting of any environmental concerns.
