Deck & Sun Loungers

As a courtesy to your fellow guests please be advised that sun loungers must not be reserved and that towels and personal items will be removed by a Princess staff member if the lounge has not been occupied.

Safety, Environment & Hygiene

Please do not throw anything (including food and cigarettes) over the ship's side. Cigarettes can be sucked back into the ship and cause fires. Other items may fall onto balcony staterooms occupied by other guests.

Help Us Protect Our Environment

We kindly ask all guests to assist in our ongoing efforts to conserve energy by keeping balcony doors and curtains closed when the air conditioning system is in use. A growing number of our environmentally conscious guests are also helping to reduce water and energy usage by avoiding leaving water running unnecessarily in their staterooms and ensuring balcony and ship's side doors are kept closed. We invite you to join them in supporting Princess' commitment to protecting our environment. Your cooperation makes a difference.
