Security Screening

All guests returning to the ship are required to undergo security screening. Objects containing metal, including mobile phones, cameras, binoculars, reading glass cases, large belt buckles, batteries, electrical devices, etc., will set off the walk-through metal detector and delay boarding. These items must be deposited in the provided trays prior to passing through the metal detector. Guests with surgical metal implants, significant quantities of metal jewelry, metal shoe stays, etc., may be subject to additional screening, such as a hand-held metal detector or "Pat Search."

Need to Know!

Arrival: 08:00am

All Aboard: 04:30pm

We know you're eager and excited to start exploring in port – we are too! However, please wait until we announce that the gangways are open before heading that way. We promise to disembark you as soon as we can!

Important Notification

When traveling ashore, please bring your Ocean Medallion™ and a Government-Issued Photo ID with you. Please take extra precaution with your personal belongings when going ashore.

Agricultural Notice

Local authority rules stipulate that no food, no flowers, no seeds or beverage products except water are to be taken off the ship in port to avoid a fine. Please consume these items onboard before proceeding ashore.

Huatulco

Nine bays bordered by 36 golden-sand beaches form the beautiful Las Bahias de Huatulco in the state of Oaxaca. Welcome to Mexico's newest resort on the Pacific Riviera. Huatulco is a tropical Eden with crystalline waters, coral reefs, and uncrowded beaches. Inland, the rugged coast range is thickly carpeted with rainforest and coffee plantations. While Huatulco is still in its early stages of development, travelers may note that the resort has a different feel from other destinations on the Mexican Riviera. That's because large areas of Huatulco have been designated as an ecological reserve.

Huatulco is located in the state of Oaxaca where the foothills of the Sierra Madre del Sur Mountains meet the Pacific Ocean.

Gangway Alcohol Collection

Alcoholic beverages that are purchased at ports of call or duty-free from The Shops of Princess will be collected for safekeeping and delivered to the guest's stateroom on the last day of the cruise. A member of the ship's staff will be at the gangway to assist guests with the storage of their shoreside alcoholic purchases while our retail staff will assist guests with shipboard alcoholic purchases.

**Princess is not responsible for any alcoholic beverages confiscated by shoreside security staff. Such items are not eligible for monetary refund or replacement.*

Shop ashore with your Medallion® Wearable
