MSC CRUISES DAILY PROGRAM

WELCOME TO OCEAN CAY

Welcome to Ocean Cay MSC Marine Reserve, MSC Cruises' private island in The Bahamas.

From the morning arrival until departure, you'll have plenty of time today to soak up the spirit of The Bahamas and discover what makes this Island so special.

When we started work on Ocean Cay in 2016, it was an abandoned industrial sand excavation site and the surrounding ecosystem had suffered. After years of work, this stunning tropical destination forms the heart of a flourishing 64-square-mile marine reserve.

During your time on the island, please pardon our progress while we make Ocean Cay even better. You'll find various projects underway as you explore today, including a second food hall, more bars, additional excursion centers, more family-friendly offerings.

Step into ocean conservation!

The Marine Conservation Centre at Ocean Cay is now open! Stop by and learn how MSC Foundation has been actively engaging in coral reefs restoration through the Super Coral Reefs Programme.

We're doing our best to minimize disruptions—for you and the marine life that call Ocean Cay home.

Lighthouse Beach is open during the day to enjoy the entertainment activities.

We encourage you to explore our seven other beaches, including the revamped Ocean Cay Lagoon and brand new Seekers Cove.

Once again, welcome to Ocean Cay. We're excited to have you join us on this incredible journey towards creating a one-of-a-kind sustainable destination.

Please note that smoking (including e-cigarettes) is not permitted on the island beaches. Smoking is only allowed in designated areas around the bars.
